PROGRAM OVERVIEW

Call for nominations

Following the launch of the Awards, nominations are sought and received from groups/organisations, businesses and individuals in both metropolitan and regional areas. Extensive promotion is carried out during the call for nominations; including advertisements across TV, radio and press, along with social media campaigns.

Judging Process

The judging process is carried out by a collective of experts in the field for each Award category, as well as government, sponsor and community representatives. An Executive Judging Panel will meet to assist in the selection of finalists and winners for all Award categories.

Finalists Announced

Once judging has been completed, the finalists are announced. Social media, including a People's Choice Award, plays a big part in promoting the finalists, resulting in significant social media engagement. Newspapers, community publications and radio stations run stories on finalists in their town/region.

Gala Presentation Dinner

Finalists are presented, and winners announced at the Awards Gala Presentation Dinner. The event attended by 300+ guests at Doubletree by Hilton Esplanade provides a platform to celebrate the finalists' community achievements.
